

RAPID ACCESS TO MEDICAL SPECIALISTS

110-21 Queensway West, Mississauga, ON L5B1B6 | Tel: (905) 897-0788

Release of medical records to referring physician

For physician use only

Important note:

- Use this form only if you are the physician that initially referred a patient to see a Medical Specialist at our facility.
- If you are NOT the referring physician, [CLICK HERE](#)
- Allow up to 8 weeks following patient visit to receive consultation report or any investigations. If it has been less than 8 weeks, do NOT send a consultation report request or use this form.

SECTION-A: Patient Information

Last Name:		Date of birth:	
First Name:		Health Card #:	
Name of the Referring Physician:			
Which specialist was the patient referred to?:			
Approx. date patient saw the specialist at our facility:			

SECTION-B: Medical Records

Check all that apply	Type of medical record requested:
	Investigation Report(s)
	Record of patient visit
	Consultation report
	All of the above

Processing Time:

2 week or less for investigation report, record of patient visit or consultation report that are in our possession.

Please note that investigations done at places outside of our medical building such as hospitals, CT/MRI facility etc could take up to 4 weeks before we receive the result/investigation report. Once they are in our possession, we will fax them to the referring physician office.

Alternatively, referring physician office can contact the testing facility directly and request them to send the report to their office.

Fax completed form to Referral processing dept: (905) 897-7780

Note: when requested document(s) is/are ready, our office will send them to the fax number indicated on the original referral.

Alternatively you may mail completed form to (may take longer to process):
